Answer

MINISTER OF STATE IN THE MINISTRY OF RAILWAYS

(SHRI RAJEN GOHAIN)

(a) and (b): A request was received in the past from Airports Authority of India (AAI) for leasing of Railway land for extension of runway at Rajkot Airport. AAI had been asked in 2007 and 2010 to submit a comprehensive proposal with their consent to bear the cost of existing structures and lease charges as per Railways' extant policy, but reply from AAI has not been received.
